GUIDIENT WINS EMERGING ENTERPRISE AWARD

The Heart of the Valley Chamber of Commerce has named Guident Business Solutions as recipient of their 2012 EMERGING ENTERPRISE AWARD. The selection, made by an independent panel of judges, is given to businesses that have demonstrated a creative business approach, proven success, and positive impact on the local community.

Guident Business Solutions, LLC (www.guidentbusiness.com) was founded in 2009 and works with business owners from Green Bay to Milwaukee improving owner's equity within their organizations and educating them on how to manage their business for greater success. It specializes in financials, operations, management, leadership, and human resources.
